

**FLORIDA STATE UNIVERSITY • THE GRADUATE SCHOOL**  
**PROQUEST EMBARGO REQUEST FORM (Page 1 of 1)**  
(Please Type or Print)

All students must submit their manuscript through the ProQuest portal. If students are requesting an embargo, they must complete this form with the appropriate options corresponding to what they have selected on the FSU Embargo Request Form after the embargo expires.

- If a student has selected that the manuscript be released under the World Wide Access Option in the FSU Digital Repository after their embargo expires, then it is suggested that they select 24 Month Embargo Access on this form.
- If a student has selected that the manuscript be released under the Campus Community-Only Access Option in the FSU Digital Repository after their embargo expires, then it is suggested that they select, "I wish to permanently embargo my manuscript through ProQuest."
- **A copy of the abstract will be made available via Abstracts International. Likewise, a copy of the manuscript will be microfilmed for archival purposes only. A student can remove the embargo at any point in time by contacting ProQuest.**

For questions concerning publishing options with FSU, please contact the Manuscript Clearance Advisor ([Clearance@mailers.fsu.edu](mailto:Clearance@mailers.fsu.edu); 850-644-0045) or ProQuest (1-800-521-0600 ext. 77020; [disspub@proquest.com](mailto:disspub@proquest.com)).
