The top half of the image shows a large, ornate black metal archway spanning a walkway. The archway features the words "FLORIDA STATE UNIVERSITY" in gold lettering. In the background, a large brick building with two prominent towers and a central entrance is visible under a clear blue sky. The scene is flanked by two glowing yellow spherical light fixtures.

The bottom half of the image shows a well-manicured campus scene at dusk. In the foreground, a large, multi-tiered white stone fountain sits on a brick platform. Behind it, a wide set of stairs leads up to a large brick building with many windows. The area is surrounded by lush greenery, including palm trees and bushes, and is illuminated by several black lampposts with white globe lights. Two white wooden benches are placed on either side of the fountain.

FSU works  
because we do!

# Who we are and what we do

- **GAU is the sole labor union for all graduate assistants (GAs) at FSU**, including all teaching assistants and research assistants (but not MD and JD students).
- Together, we bargain for:
  - **Better wages**
  - **Better working conditions**
- **and we're responsible for:**
  - **Protecting members' rights**
  - **Contract enforcement**
- Additionally, we:
  - Engage in nonpartisan legislative advocacy
  - Aid community organizations
  - Contribute to the broader labor movement

# Nationwide Solidarity

As a member of FSU-GAU, you'll be a part of a workers' rights movement made up of *millions* of workers in the United States, all fighting for fair compensation and better working conditions.

# Before GAU...

- Before we had a union, compensation for GAs was gut-wrenchingly low:
  - Health insurance lottery
  - No protections from overwork
  - No contract enforcement process
  - No right to collectively bargain (so GAs got wrecked by inflation every year)
- You'll notice that, even today, FSU's management tends to run the university like a for-profit corporation. **They don't *give* us anything; we have to fight for it, and we're always stronger together.**

# What has GAU done for you?

Here's what we have now compared to GAs 10 years ago:

## 10 years ago

- \$8100 minimum stipend
- \$700/year health insurance premium contribution
- No right to protest factually incorrect evaluations
- No relief from per-credit-hour fees

## Now

- \$18,700 minimum stipend
- \$2359/year health insurance premium contribution
- Right to remove factually incorrect evaluations from student file
- \$500 per year (\$250 for 0.25-time) of fee relief

# What do I get for being a member?

The following benefits are **only available to dues paying members**:

- Contract enforcement through the grievance process
  - This may include:
    - Late or missing paychecks
    - Inappropriate behavior from a supervisor
    - An unsafe workspace
    - Being required to work longer hours than your contract stipulates
  - Simply email [grievance@fsugau.org](mailto:grievance@fsugau.org) to begin the process with our grievance chair
- Participate in socials!
  - We have socials almost every month, where we give GAs free food, drinks, and access to activities like bowling!
- 2 free consultations with a lawyer!
- Discounts on travel/insurance/credit cards through FEA/NEA

# Our Union is in Danger

In 2023 the FL Legislature passed Senate Bill 256/House Bill 1445, which requires all public-employee unions to sign up 60% of the people they represent as dues-paying members. **Failing to meet this threshold could mean the end of the union's ability to protect you and nullify our contract with FSU.**

For us, that's 60% of ~3000 Graduate Assistants.

**If you choose not to join, you are *choosing* to go back to unfair compensation, no grievance process, and few (if any) contractual protections from harassment and bias.**

# Costs

**Are dues expensive?** Not at all! Dues constitute only 1% of your paycheck.

Dues usually cost less than \$15 a paycheck, but depends on your stipend!

- We use FEA eDues, a system that sets up automatic ACH deductions with your bank. Once you've completed the easy setup process, you never have to worry whether you're up-to-date.
- Canceling is as simple as emailing [membership@fsugau.org](mailto:membership@fsugau.org)
- Our dues serve our organization and our parents and affiliate organizations. Your money directly contributes to state and nation wide action which benefits all laborers, especially educators. It helps to fund things like lawyers and legislative action, which is becoming increasingly important under the current state and federal administrations.

# Get involved

...and if you want to do more to help your fellow grad assistants (and yourself!), you can always:

- **Become a department representative**
- Respond to calls for political action
- Come to bargaining sessions and share your experience as a grad assistant
- Contact [info@fsugau.org](mailto:info@fsugau.org) for more information
- Join our discord!
  - Best way to keep in contact and join one of our committees!
    - Organizing, Bargaining, Diversity
    - Executive Committee

# Join!

Joining is easy and takes only a few minutes. Simply visit:

[fsugau.org/join](https://fsugau.org/join)

Make sure to have your **EMPLID** at the ready (found at [my.fsu.edu](https://my.fsu.edu)).

After signing up, you should receive an email from FEA eDues within a few days.

All eDues transactions are completely safe and are conducted through **Plaid**, the same service used by *Paypal* and *Venmo*.

FSU works  
because we do!
