Please attach a current academic vitae when submitting this application for Directive Status or the application will be returned. The policies, procedures and criteria for appointment to Co-Directive Status for Non-Tenure Track Faculty and Courtesy appointments can be found on the Faculty Handbook Webpage, <http://facultyhandbook.fsu.edu/Section-5-Faculty-Development>, or by contacting The Graduate School at (850) 644-3501.

Persons granted co-directive status may serve as a member or co-chairperson of a committee as long as a qualified FSU faculty member with GFS also serves as co-chairperson. With co-directive status, a faculty member can serve as an additional member on a supervisory committee beyond the minimum number required. Persons who have been granted appointments to Courtesy faculty rank in a department with approved graduate programs may be awarded Master's or Doctoral Co-directive status on a temporary basis if they meet the college/school and departmental requirements for that status.

Select type of status requested:

CO-DOCTORAL CO-MASTER'S

If this request is for temporary status for service on a student's committee, indicate the student's name, major professor, and role the faculty member will be serving:
