## Explore Fellowships & Awards

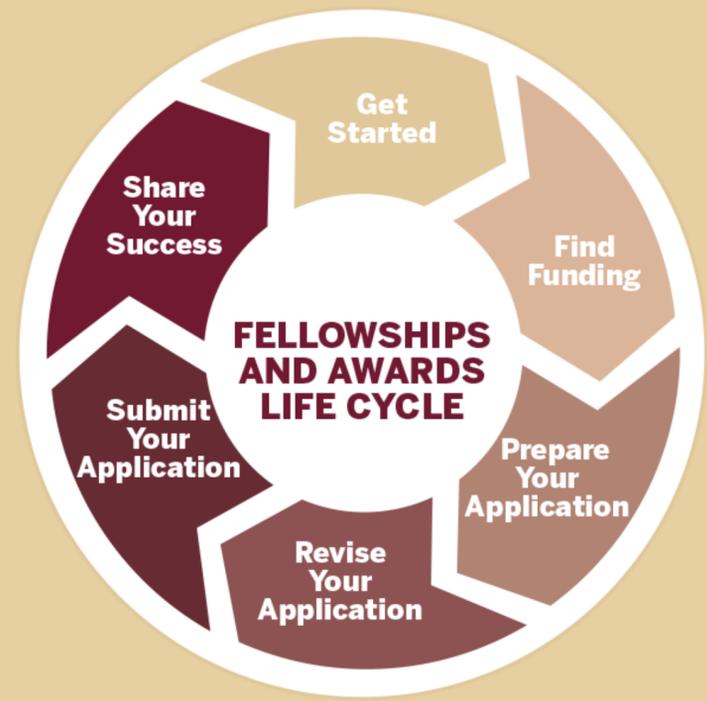

Are you a currently enrolled graduate student looking for ways to financially support your graduate degree?

Are you new to the fellowships and awards world and have no idea where to start?

Developing as a scholar in your field is already an expectation, so think about securing fellowships and awards as part of your ongoing professional development and Let's Get Started!

### OgFA's mission

To assist FSU graduate students with articulating their scholarly interests and ambitions in support of identifying and applying for external fellowships, scholarships, grants, and awards.

### How can we assist?

Through our holistic approach, we:

- Guide students through the fellowships and awards life cycle to identify awards that "fit" their academic and professional interests
- Offer tailored guidance throughout the application process
  - [Funding search assistance](#)
  - [Individual consultations](#) designed to meet students where they are and provide custom advice
  - [Review and feedback](#) of award application materials
  - [Workshops](#) covering "All things" related to applying for external funding
  - [Info sessions](#) exploring the ins/outs of various funding opportunities

### Who can we help?

- All graduate students
- All disciplines
- All degree programs (specialist, master's and doctoral)
