

The Julia Pelot Colket Graduate Student Child Care Assistance Scholarship

The **Julia Pelot Colket Graduate Student Child Care Assistance Scholarship** was created to provide much needed support for graduate students with children. This scholarship will provide selected recipients with funds to assist with the growing cost of childcare for one or more children to allow the student to pursue their academic endeavors and excel in their chosen program of study. Students will be considered for support if they meet the following criteria:

- Currently enrolled graduate student who are attending Graduate School at least 10 years after graduating with their undergraduate degree
- Have a child or children needing childcare while they are in graduate school
- Have demonstrated a specific need for funding
