Resolve Potential Issues

- Copyright Essentials
- Research Approvals
- Valid Committee Rules
Use of Copyrighted Material

- Obtaining permission to use copyrighted material is student’s responsibility and must be a priority.
- Some material may be covered by “Fair Use”; if in doubt, request permission from copyright owner.
- “Fair Use” Determination Tools & Copyright Resources: [http://guides.lib.fsu.edu/copyright](http://guides.lib.fsu.edu/copyright)
- Copyright Permission Letter(s)
  - Must upload to your ProQuest ETD account
  - Do not place in appendix unless requested by owner.
Student’s Copyright

- In most cases, student owns copyright once manuscript is “fixed in a tangible medium”

- Recommended, but optional:
  - Copyright registration (www.copyright.gov)
  - Add © symbol with name & year to the title page

- If any part of the manuscript has been published:
  - Copyright may have been assigned to the publisher
  - Publisher must be recognized according to their terms
Copyright Questions?

- Direct all copyright questions to FSU’s Office of Digital Research & Scholarship

  - **Camille Thomas**
    - Scholarly Communications Librarian
    - **Phone:** (850) 644-2163
    - **Email:** cthomas5@fsu.edu
    - Located on lower level of Strozier
Human Subjects Research Approval (IRB)

- **Examples of research that may need IRB approval**
  - Primary research using human subjects (including surveys/questionnaires)
  - Secondary research using data linked to human subjects
  - Research using human cell lines

- **Only the IRB** has the authority to determine if projects qualify as “exempt” or “not human subjects research”

- **Approvals must cover entire period of research**
  - Obtain approval prior to beginning data collection
  - Obtain re-approval(s) as required
Human Subjects Research Approval (IRB)

- Student must be listed on project as one of the following:
  - **Principal Investigator** on IRB Approval
  - **Associate (or Co-) Investigator** on IRB application
    ◦ Include page of application that lists student’s name & role

- Include **ALL** IRB Approval/Re-Approval memos in an appendix, plus sample informed consent for primary research

- Students must delete/redact/obscure their personal contact info on memos, applications, and consent letters
  - If obscuring, deactivate any hyperlinked email addresses

Contact the Office for Human Subjects Protection with questions or concerns at (850) 644-7900 or humansubjects@fsu.edu
Committees

- **Must have valid committee in GST prior to defense**
  - *Doctoral Committee*
    - Minimum 4 members with GFS
    - University Rep: Tenured at FSU; from outside department
  - *Master’s Committee*
    - Minimum 3 members with GFS

- **Members that need “temporary status”**
  - Must hold this status *prior* to the defense
  - May only serve as Co-Chair or Member in addition to required GFS members

- **Committee in GST = Committee listed in manuscript**
  - Contact Lauren Smith for committee revisions in GST
Understand the Process

- Clearance Steps
- Submission Deadlines
- Manuscript Submission
- Clearance Forms
1-2. Complete in any order:
- Submit pre-defense manuscript to our office through ProQuest ETD.
- Submit Defense Announcement in Manuscript Clearance (MC) Portal.

3. Receive initial formatting feedback from our office.

4. Successfully complete defense.

5. Revise manuscript: Content changes from committee AND required formatting revisions from our office.

6. Get revisions approved by committee; make sure all forms through Final Content Approval Form are complete in the MC Portal.

7. Submit post-defense, revised manuscript through ProQuest ETD.

8. Receive additional formatting feedback, revise, and resubmit (as many times as needed).

9. Manuscript is officially cleared!
Pre-defense format review is **required**

To be “reviewable,” the manuscript MUST:

- Be at least 90% complete
  - *Include all required sections:* Title/committee pages, Table of Contents (*with page #s*), Lists (*if needed; with page #s*), Abstract, Chapters, References, Bio. Sketch, and most tables/figures
- Be consistently formatted per most recent version of *Guidelines and Requirements for ETDs*

If not properly formatted or not 90% complete:

- Will NOT be reviewed
- Will NOT be considered as meeting any deadline
Submit pre-defense manuscript and revisions via ProQuest ETD Admin. ([www.etdadmin.com/fsu](http://www.etdadmin.com/fsu))

Must set up ProQuest account to submit pre-defense manuscript (*last step in set-up process*)
- Manuscripts received by our office (*not ProQuest*)
- Students emailed confirmation after initial submission, but *not* for revisions
- *Final version* delivered to ProQuest by our office after graduation is verified by FSU Registrar
ProQuest Account Setup

- Options selected during account setup refer to **final version**, not pre-defense version of manuscript
- All paid services offered by ProQuest are **optional**

**Publishing Agreement**
- Traditional *(free)* vs. Open Access Publishing *(+$95)*
- FSU’s digital repository includes **free open access** publishing

**Copyright Registration** *(+$75; less $ if done by student)*

**Ordering Copies** *(+$38-$62 per copy)*
- May take 6 months after graduation to receive copies

After setup, paid options can only be changed by contacting ProQuest *(disspub@proquest.com; 800-521-0600)*
Supplementary Files

- ProQuest ETD provides a place to upload supplementary files
- May include videos, sound files, large images, large data files, etc.
- Provide short description of each file in the abstract (both in manuscript and ProQuest)
- Contact our office for alternate instructions if large files are not uploading
All Manuscript Clearance forms are completed through the **Manuscript Clearance Portal**: [clearance.fsu.edu](http://clearance.fsu.edu)

- Same web address used for students, faculty, & staff
  - Log in with FSUID and password

- Non-FSU committee members with temporary status must activate FSUID **prior to defense** to access Portal

- Committee members are sent reminder emails about forms on day of defense and once per week after defense until complete
View after first log in: *Manuscript Clearance Information*

This page is **not comprehensive**

Students are **responsible** for reviewing all information on the Thesis, Treatise, and Dissertation website

**Tip:** The garnet “i” icons contain extra information, which is displayed when cursor is moved over icon.
### Forms Summary Tab

- **Student must complete two forms on this tab**
- **Student profile is not visible to MC Office & Grad. Coordinators until either form is submitted**
- **Reminder emails sent to students after a form is submitted**

#### Forms Summary

The **Forms Summary** is where students can track the completion of their defense forms. Some forms will be completed by the student while others are completed by their committee members. Students should return frequently to check their progress and then communicate with committee members who still need to complete a form. Committee members will receive automatic reminder emails when they have an approval to provide in the Portal, but students should still be proactive in their communication. **Ultimately, it is the student's responsibility to ensure their committee completes the required forms.**

**Please Note:** Each form on the **Forms Summary** becomes available for completion by committee members and The Graduate School at different stages of the manuscript clearance process.

**Degree:**
- English
- MA/Thesis
- Master's Degree
- PhD
- Dept of English

**Defense Announcement Form:**

Defense Announcements should be submitted to The Graduate School at least two weeks prior to the scheduled defense. Students must have the date, time and location of the defense scheduled with their department prior to submitting the announcement to The Graduate School.

[Complete Defense Announcement Form](#)

**Manuscript Access Agreement Form:**

As a condition of undertaking a thesis-track master's or doctoral program at FSU, the student agrees that the completed manuscript will be archived in the University Libraries system and ProQuest. The student will make the electronic manuscript available for review by other scholars and the general public by selecting an access condition provided by The Graduate School in this agreement.

- **No later than 60 days after a successful defense**
  - Post-defense, final content-approved manuscript submitted
  - Required forms (through Final Content Approval) completed

- **No later than 1 week after the 60-Day Deadline**
  - Requested formatting corrections complete
